

- **WAYS YOU CAN HELP CanDo FROM HOME!**
  - 
  - 
  - Write a brief "Art Happenings" article for the *CanDo Connection* (monthly, excerpted directly from the Napa Arts Council newsletter).
  - Contribute to this weekly newsletter by taking on one feature (Words Matter, Bits & Pieces, Quick Tip). We'll take care of the computer work, unless you'd like to learn how to use Constant Contact.
  - Do the behind-the scenes organizing for a field trip to the Napa Recycling Center (one-time or maybe annually); or think of another field trip that would be of interest to our readers.
  - Provide a truck or van for the Gleaning Project, to haul ladders and gleaned fruit (on call; yes, this one would require you to leave home).
  - Help us brainstorm a way to get overripe or damaged produce to local organizations that rescue, house, or shelter animals (instead of sending that food to the landfill or to be composted).

**Have an idea for a new CanDo Project? Talk to us!**
