

Step by Step - Join Us!

Dear parents:

Welcome to the 2017-2018 school year! Step by Step is a program here at St. Margaret Mary where we teach our Mustangs to be good stewards in our community. This includes teaching the children how they can use their time and talents to help others. In the parable of the Good Samaritan, Jesus said: "Love your neighbor as yourself." The goal of our Step by Step program is to teach children how to use their gifts from God to help others.

The children will engage in various in classroom activities and after school outings depending on their grade level. This will give them the opportunities to demonstrate stewardship. These things include: collecting pull tabs for Ronald McDonald House to help families with sick children, assisting with food drives to help the hungry, learning to care for the environment, visiting nursing homes to engage in crafts and games with the elderly, helping the homeless, visiting programs for people with disabilities, and helping refugees and veterans.

For this program to work, we need your help! Please come to one of our **Volunteer Kick Off meetings on August 30th in the Hospitality Room**. We will have two meeting times, **1:00pm and 6:30pm** to accommodate everyone's busy schedule. Please come learn about the program, how you can help, and to give input on how to help this program thrive! No amount of time you can volunteer is too small.

Thank you, and we are looking forward to this wonderful school year and the many opportunities the children will have to be disciples of Christ and help others in our community.

If you have any questions please send to Jennifer Peterson at jenannpeterson@gmail.com

Sincerely,
Jennifer Peterson and Erin Moreschi
