NOTES

- Once you are in the system, you have 10 minutes to complete your order....so you will want to know the number of seats you need for your performance before you go in.
- Remember that this is a website and may be slow with many people accessing it at the same time.
- You will have the option to print your tickets or have them sent to you in the mail.
- You should receive email confirmation of your purchase....just FYI...it's been taking almost a day for the email confirmations to arrive.
- The company has an 800 number and a chat feature if you run into difficulties...but they are a California based company, so usually you can't contact them until 11 am our time. You can always email Mrs. Moth at amoth@stmm.org as well.
