

## **“Totally Toxic: The Dangers Of Pornography on Marriages and Families”**

Pornography: the dangerous drug that has taken our planet captive with astonishing speed and precision. Harmless fun...that's what our culture has been telling us for generations. It's all just harmless fun. A way for its viewers to explore their sexuality without harming anyone. But they were wrong...

Pornography is responsible for destroying marriages, churches, families, and thousands of women, men, and children. The pornography industry generates approximately \$13 billion per year in the United States alone and is responsible for 70% of online pay-per-view purchases.

This Marriage Maintenance Event will help you as a married couple to understand the reasons why pornography is toxic to your marriage and to your family. Furthermore, it will offer helpful tips on how to protect your most precious gifts, your kids, from pornography by offering information on how to block pornography from internet devices. Don't let pornography harm your marriage or your family.

This Marriage Maintenance Event will be held on September 30 th at St. Margaret Mary Catholic Church in the Hospitality Room after the Saturday 5PM Mass, from 6PM -7:30 PM and will feature speaker, Deacon Stephen Bowling, Director of the Office of Family Ministries for the Archdiocese of Louisville. To attend this Marriage Maintenance Event, send an email to [marriage@stmm.org](mailto:marriage@stmm.org) to reserve childcare for this event, send an email with names, and ages of your children to [childcare@stmm.org](mailto:childcare@stmm.org) and for more information contact Deacon Derrick Barnes at [dbarnes@stmm.org](mailto:dbarnes@stmm.org)

We hope you attend and learn how to keep pornography OUT of your marriage, your family and your home! This event sponsored by newly created, SMM Marriage Ministry.
