

Field Day Fun - Wednesday, May 24!

Mark your calendars for a fun filled field day (Wednesday, May 24) to wrap up our school year. This is not a day for winners and ribbons but one for activities that put smiles on EVERYONE'S faces. As well as traditional games, there will be dancin' in the street, THREE inflatables, silly relays, face painting, bubbles, STREET ball and a craft to do in art.

Each child is asked to **bring a bagged lunch and drink** that day as the cafeteria will not be open. **Refreshments will be sold** by the 7th grade class during the activities, proceeds to benefit their 8th grade trip.

In order to keep classes in the appropriate areas and to help monitor this day, we ask for your assistance in following the dress code for field day fun. Sneakers are a MUST, appropriate length athletic shorts, and tee shirts according to class colors. Yes, the t-shirts may have appropriate print or lettering on them.
