

The open board positions are as follows:

**Girls Basketball Athletic Director**

This individual will be responsible for overseeing the girls basketball program as well as the softball and golf teams. Very little time is involved in organizing golf and softball but basketball season is understandably much busier because of the number of participants, tryouts, coach assignments etc. This person will work closely with the Boys Basketball AD.

**Archery Athletic Director/Fish Fry Coordinator**

This individual will oversee our archery program. Responsibilities will include recruiting coaches, helping to organize an SMM hosted tournament and determining budget needs. In addition to overseeing archery, this role will include being the point person for the SMM fish fry, determining needs, ordering supplies etc. (there are several people in place already who are happy to guide this role...no prior fish fry experience necessary)!

**Treasurer**

This individual will oversee the planning and execution of the SMM athletics ministry budget. Responsibilities will include working with AD's to determine individual budgets, approving expenses, working closely with the parish office and being present at fish fry events to collect and organize funds.

To nominate, please send an email to the SMM athletics ministry at: [smm.athletics@gmail.com](mailto:smm.athletics@gmail.com)  
In the email, just list the persons name and role being nominated for. All nominations are due by Tuesday, April 10th. Ballots will be sent out the following week.

Please remember, without volunteers.... we can't have a sports program for our Mustangs. Thank you!

If you are looking to get involved with athletics but not ready to commit to the board....we have plenty of smaller roles that we must fill for the upcoming school year! These jobs provide a great way to get involved in school and meet new people. If you have any questions about the following, please reach out to Karen Forrest for information: [krforrest3@gmail.com](mailto:krforrest3@gmail.com)

**Golf Scramble Co-Chair**

This person will work with the board to carry out the SMM golf scramble that is held in August/September. This is a great event that brings SMM golfers together every year!

**Picture Coordinator**

Most SMM sports require a point person to organize a picture day. In this role, you will work with the AD's and coaches to set up pictures and make sure they are distributed once the photographer is finished. There are 3 seasons that pictures are needed...fall sports, winter sports and spring sports. The time involved in this role is minimal and can easily be broken up between 3 people if desired.

**Fish Fry Cake Booth Captain**

This person will work with the overall fish fry coordinator to make sure volunteers are secured for the cake booth. This job will involve getting dress passes from the school office, handing out passes during drop off and making sure booth is set up and taken down properly.

**Social Media Coordinator**

This is a new position so the skies the limit! We are a bit behind when it comes to posting on social media but we really want to display our Mustang pride and success! This role will involve being the administrator of the SMM Sports Facebook and Instagram pages and working with coaches and parents to get pictures from different games throughout the year. The time involved with this position should be minimal but can have a BIG impact!!!

**Concession Stand Volunteer Coordinator**

This person will be responsible for organizing a Sign Up Genius to staff the concession stand and gate during basketball, volleyball and boys volleyball season. The role will also require working with the gym manager when slots are left open to make sure staffing is adequate. This job can be broken up among 2 people if desired.
