

Grandparents' Day

Friday, November 9

Children with the last names A-L

Friday, November 16

Children with the last names M-Z

RSVP

Please RSVP to your child's homeroom teacher specifying the date that your child(ren)'s grandparents will be attending. If a child's grandparent is not available, we welcome a significant adult in their life to attend. You may [click here](#) to access a list of our teachers' email addresses. Homeroom teachers will only release the children to the church that have received an email noting a grandparent will be in attendance. All other children will remain in their classrooms.

Arrival and Parking

Please inform the grandparents that they should plan to **arrive and be in the church by 8:00 a.m.** Mass will be celebrated. Parking will be available in front of the school, behind the church, and on the back parking lot typically used for afternoon carpool.

Seating in the church

Seating in the church will be according to the child(ren)'s last name. Please let your child(ren)'s grandparents know that there will be a seating chart and volunteers to assist with seating. The earlier they arrive, the smoother the seating process will run. Students will be brought to the grandparents who are sitting in the pews. Grandparents **should not wait** for their grandchildren at the doors of the church.

Classroom Open House

After Mass, children will show their grandparents their classrooms and special areas. St. Margaret Mary spiritwear will be for sale in the Hospitality Room this year. The classroom visits will conclude by 10:00 a.m.

Volunteers Needed

Volunteers are needed; please consider assisting with this activity by [clicking here](#).
