RE: Convention update

Dear Fellow MDNA members,

I contacted the Convention Committee and MDNA National to get an update on the 2023 MDNA Convention that will be held in Tucson, AZ, in April. I was informed that our first block of rooms sold out, then our request for more rooms was granted, and then promptly sold out! This convention will have the largest attendance of any convention with the exception of the Orlando-Disney World convention in the last decade. When I hear this information, the first thing that comes to my mind is the huge opportunity to network. The second thing is the even bigger opportunity to get F P Miller Company name and Logo in front of all these attendees. You may ask how? We are jumping on this opportunity by becoming a sponsor. You might ask yourself; how does my company take advantage of this awesome opportunity? It is as easy as reaching out to [John Greene](#) or [Mark Robinson](#)

I am amazed with the number of companies that are “hitching” a ride on this train. In advance, I thank you for your support to your association.

See you in Tucson!

Craig L. Ward, CEA
MDNA President
