Tootsie at The Fox Theater

Join us for an outing to see *Tootsie* at The Fox. It's a laugh-out-loud love letter to the theatre, based on the Oscar®-nominated film. Featuring a Tony®-winning book by Robert Horn and an outrageously clever score by 2018 Tony® winner David Yazbek, this *New York Times* Critic's Pick is a "hilarious, thoroughly modern *TOOTSIE*" that's "even funnier than the movie!"
