

Herb Garden Workshop

with Nancy Patterson

Thursday, April 22nd

3pm

Georgian Room

\$65/Member

**RSVP to Concierge at
678-619-0474 by 4/8**

Cancellations after 4/8 will be charged to Member Accounts

Join us to celebrate **EARTH DAY** by creating your own balcony herb planter!

You will be able to choose from cooking herbs like basil, rosemary, dill and thyme or if you prefer you may plant fragrant herbs like mint and lavender. Some herbs, of course, can be used as both, so the combinations are endless!

Each participant will receive a gorgeous copper planter with proper drainage and a tray, three herb plants, planting soil, and other necessary supplies. Instruction on caring for your herbs will also be provided.

Pictured above is the copper container planted with rosemary, mint and lavender.
