## Peachtree Heights East Walking Tour

Buckhead Heritage Executive Director Richard Waterhouse and Caleb Brown will offer a fascinating tour of this hidden neighborhood near Peachtree Street and Lindbergh Drive. With approximately 330 homes within this unique neighborhood, Peachtree Heights East house styles range from early 20th century American two story four-square, Craftsman Bungalow, Cape Cod, Tudor Revival, Mission Revival, and Ranch to 21st century home styles. We will see examples of several of those on the tour. The tour route is very hilly, will last about an hour and a half, and will be about a mile and a half. We ask participants to stay on the road during the tour.
