Alexa Foreman Discusses La La Land

About The Lecture

Join us in the Georgian Room for a Movie Talk with Alexa Foreman as she returns to discuss La La Land. Alexa has used her skills as a researcher and producer primarily at Turner Classic Movies so you don't want to miss this!

About Alexa Foreman

Alexa Foreman has worked for Turner Classic Movies for over 25 years starting with the launch of the network in 1994. She has interviewed over 100 stars, directors, writers and editors for the TCM Archival Project. She is also the author of *Women in Motion*, and co-author of *In The Picture: Production Stills from the TCM Archives*, as well as contributor to *Leading Ladies*, *Leading Men* and *Leading Couples*.

She graduated with Honors in Film and English from Hollins University. After college, she managed the American Film Institute's theater in Washington, D.C., and the Rhodes Theater in Atlanta.
