

The Fondest Memories Are Yet To Come: Bring Fresh Gardens Back Into Your Life

THURSDAY, JUNE 17TH AT 2:00 PM IN THE GEORGIAN ROOM

Backyard gardens hold fond memories of grabbing fresh tomatoes off the vine, taking pinches of mint for iced tea, and snapping beans on the porch. Take a step back into an era gone by with technology built for the future. Copiana's Aeroponic Farms are coming to Peachtree Hills Place, and our nutrient-rich produce looks and tastes better than the store-bought. It is a TRUE farm-to-table experience.

Meet us in the The Georgian Room on Thursday, June 17th at 2:00 pm to learn how these sustainable farms grow entirely on water and nutrients, what they can grow, and how you can reserve work-free farm produce for a small monthly fee.

Copiana allows you to enjoy all the benefits of organic gardening with none of the hassles. Our team installs, maintains, and harvests. Approximately every four weeks, the Copiana team hosts a fun harvest and provides you with complimentary freshly picked produce.

Are you interested in having a garden full of fresh veggies and herbs at your fingertips? Join Jackie Green of Copiana on Thursday, June 17th at 2:00 pm to learn how you can fill your fridge with delicious produce from your Peachtree Hills farm!
