## “Dream House” at The Alliance Theater

---

Join us for an outing to see *Dream House* at The Alliance Theater. This play follows two Latinx sisters on an HGTV-style reality show who are selling their family home, hoping to capitalize on the gentrification in their “changing neighborhood.” It explores the cultural cost of progress in America — and is cashing in always selling out? It is the winner of the 2021/22 Alliance/Kendeda National Graduate Playwriting Competition.
