Candidates may request an institutional recommendation upon successful completion of their program (academic and program requirements). Candidates should check with their state agency for any state-specific requirements, including the acceptability of the University's initial programs in any state in which they intend to seek licensure or certification. Program requirements are subject to change based on state certification requirements. Please speak to a campus representative for a listing of programs available at each campus location.

Although these courses are accepted by some state agencies in the United States toward teacher certifications and endorsements, this may not be the case in all states or foreign jurisdictions. If you plan to use this course for certification or endorsement, please check with your own state agency and your school district for applicability. Continuing Teacher Education courses that are not part of a degree program are not intended to apply to degree programs at University of Phoenix.

While widely available, not all Continuing Education Unit coursework is available in all states or in both online and on-campus formats. Please check with a University Enrollment Representative.
