## July 2020

### *Recovering Our Losses*

Over the past four months we all have experienced many losses: our health, our work, our ability to function, our autonomy, our communities, our faith, our loved ones through physical separation and death. Everywhere we look we find loss. In those losses we experience grief and sorrow. Jesus is with us every step of the way and through the love of God, our relationship with Christ and the power of the Holy Spirit we can recover what we have lost and find newness of life. We cannot take back what we lost, but we can be grateful for what we gained: compassion, awareness, empathy, prayer, and a deeper faith.

This prayer calendar is designed to aid you in your daily life of prayer.

**Read the scripture** for the day over and over, out loud if possible. As you read, listen with an “ear of the heart” to a word or phrase that strikes you.

**Reflect on that word or phrase** asking yourself the question: “What is God saying to me through this word or phrase at this time?” Spend time in silence with this scripture mulling it over in your mind and heart.

**Allow God to speak to you in the silence.** Offer a prayer out of your reflection.

**Thank God** for whatever you received in the silence of your prayer and take that with you through your day.
