This prayer calendar is designed to aid you in your daily life of prayer.

**Read the scripture** for the day over and over, out loud if possible. As you read, listen with an “ear of the heart” to a word or phrase that strikes you.

**Reflect on that word or phrase** asking yourself the question: “What is God saying to me through this word or phrase at this time?” Spend time in silence with this scripture mulling it over in your mind and heart.

**Allow God to speak to you in the silence.** Offer a prayer out of your reflection.

**Thank God** for whatever you received in the silence of your prayer and take that with you through your day.
