STEBEN COUNTY HABITAT FOR HUMANITY RECOGNIZED FOR GROWTH

Awarded for offering new repair services to qualified Steuben County homeowners

Corning, NY - Steuben County Habitat for Humanity is proud to announce that they have received the "Cranking it Up" award, which recognizes New York State affiliates making significant increases in completed projects over the course of a year. Not only was Steuben County Habitat able to grow its traditional home build program, but they now offer interior, exterior, and critical repairs for qualified homeowners.

"I'm really grateful for this award, and for Habitat for Humanity of New York State's support and recognition," Executive Director Lisa Caracci said. "I'm also really thankful for my staff as well; they were the reason we can now offer these types of programs to more and more residents in need in Steuben County."

To contact Steuben County Habitat for Humanity, or for more information about these new services, please call 607-936-4444, or visit them at www.habitatcorning.org.

If you would like more information about this topic, please contact Matthew A. Harmer or call 607-936-4444.
