

Supporting Young, Local Entrepreneurs

The **YEA Scholarship Fund** allows that any eligible student is able to participate in YEA regardless of ability to pay. Scholarships are reviewed each year and awarded based on need.

Your generous support can directly transform local students into real business owners and real entrepreneurial success stories, strengthen our business and educational communities, and help in the goal to secure the next generation of leaders in our region.

Scholarship Partner ... \$500

- Provides one student scholarship in the business or organization's name
- Scholarship Partner will receive a personal thank you from the awarded student
- Public recognition of your support as a Scholarship Partner at the local YEA! Scholarship Award Reception
- Exposure & logo on local YEA! materials and Corning Chamber website
