Turning Point Thanks Bath Simmons Rockwell Employees for Food Pantry Donation

Turning Point would like to thank Bath Simmons Rockwell General Manager Ed Spiess and Sales Professional Paul Parshall, who donated approximately 606 lbs. of ham steaks, pork butt steaks, bacon, ribs, sausage patties, pork chops, and ham roasts on behalf of Simmons Rockwell. The much-needed food was split evenly between Turning Point's food pantries at Steuben County Rural Ministry, Turning Point Bath, and Turning Point Hornell.

To acquire the donation, Mr. Spiess and Mr. Parshall purchased five pigs weighing in at a total of approximately 900 lbs. during the annual 4-H Livestock Auction at the Steuben County Fair Friday, August 19, 2016, and then paid for processing. The total value of the donation was \$3,400.

"The meat looks fantastic, and will definitely help with our increased numbers in Bath," said Turning Point Bath Food Pantry Manager, Kristin Stewart. "Last month we provided food to over 1,200 individuals—adults, children, and the elderly. This number does not include the mobile food truck or food available in the lobby."
