Embassy Suites, Charleston WV

October 21, 2019

AGENDA

8:00 a.m.

Registration and Breakfast

Hearty Breakfast – Feast, network, get ready!

9:00 – 9:45 a.m.

Welcome & Kickoff: Anne Barth, Executive Director, TechConnectWV

Welcoming Remarks: The Honorable Amy Shuler Goodwin, Mayor of Charleston

Keynote Speaker: Pam Murphy, Chief Operating Officer, Infor

9:45 – 10:45 a.m.

Starting A Career in Tech - How We Did It:

This panel will offer valuable advice on starting a career in tech, including descriptions of in-demand technologies, how to navigate the tech job search, where opportunities are in WV, and challenges faced by women in the tech sector. Having recently entered the technology field, these three presenters will share insights directly from the field and also examine trends and what the sector will look like in the next few years.

- Skye Smith, Data Scientist, Terbium Labs
- Chelsie Cooper, Marshall University
- Beth Fanning, Business Analyst & Project Manager, CentralApp

10:45 – 11:00 a.m.

Networking Break

11:00 – 12:00 p.m.

Finding Your Voice & Taking the Lead

When you are called to lead, who is your best advocate? Do you rely on yourself, your managers, or your mentors to advocate for you? This panel will explore strategies for women to maximize the impact of using their own voices, leverage their networks, and address fear and risk.

- Alicia Dalton-Tingler, Lead for Grid Modernization / Technical Project Manager, Technology Development & Integration Center, NETL
- Lee Ann Haley, Chief of Staff, Laboratory Operations Center, NETL
- Heather Quedenfeld, Associate Director Coal, Technology Development & Integration Center, NETL
- Kylee Underwood, Physical Scientist / Technical Project Manager, Technology Development & Integration Center, NETL
