

## **eMed Testing**

We have engaged with eMed to create and service the COVID-19 testing solution for NMA 2022 Convention & Scientific Assembly, eMed's Digital Point-of-Care platform will enable us all to safely test for COVID-19 from home with verified results automatically reported back to us in just minutes. You can pick the tests up at the convention center prior to check-in.

### **TAKING THE TEST**

- Step 1: Go to eMed.com on your device or click on the [link provided to you](#) for testing for the specified event.
- Step 2: Click on “Start Testing” then select your State of Residency then click on “Start Testing” once more
- Step 3: You will be prompted to sign up and create an account with eMed if it is your first time OR you will log into your eMed account if you are a return test taker
- Step 4: Each time you test with eMed, you will need to answer a series of questions to confirm you meet the requirements to take the test
- Step 5: Connect with the eMed Certified Guide
- Step 6: Give your name, date of birth and confirm your identity with the Certified Guide via government-issued ID (i.e, Driver’s License, Passport).
- Step 7: Follow all directions provided by the Certified Guide to take the test
- Step 8: After completing the test, wait the time indicated by the Certified Guide
- Step 9: Review and interpret your test result with the Certified Guide
- Step 10: Check your email inbox to confirm receipt of your eMed digital lab report
