

## INFORMATION SESSIONS FOR CANDIDATES

National University's Credential Programs are offered in a one-course-at-a-time format where individuals will learn about best practices in K12 settings. At the end of the program, candidates will earn their CA Credential/Certificate of Eligibility. In addition, candidates have the option of earning their master's degree by simply completing two-three additional courses.

**Join us online on May 10th to learn about Credentialing Options.**

Topics will include (with time for Q & A):

- Program Length
- Admissions
- Tuition
- Scholarships
