The Regional Brain Bee is the first round in an international competition for high school students in grades 9 to 12 testing their knowledge in the field of neuroscience. All questions are derived from the 2019 edition of *Brain Facts*, published by the Society of Neuroscience and can be downloaded for free at: <http://www.brainfacts.org/about-neuroscience/brain-facts-book/>. The competition involves Regional Brain Bees held throughout the United States and the world in January and February. Regional winners from the United States travel to Maryland to compete in the National Brain Bee.

Prizes:

- **First Place Winner:** \$300 plus travel funds (in accordance with university policy) for winner and parent/guardian to attend the National Brain Bee Competition in Maryland in March.
- **Second Place Winner:** \$200
- **Third Place Winner:** \$100

Space is limited and **advance registration** is required. **Applications will be accepted through Monday, February 3, 2020.** To become a contestant in the Central New Jersey Regional Brain Bee visit http://rwjms.rutgers.edu/departments_institutes/neuroscience/BrainBee/BrainBee.html for registration information and event details.

Lunch will be provided.
