

# PROJECT FIRSTLINE: INFECTION PREVENTION TRAINING SERIES

PRESENTED BY RUTGERS PROJECT ECHO

Discover resources and strategies to prevent healthcare-associated infections.

Keep your patients and community safe by stopping infections before they start.

Join us as we dive deeper into healthcare associated-infections on the Project Firstline ECHO Series. Whether you have joined before or are new to PFL, you will receive up-to-date information to keep you and your clients safe. Our ECHO training sessions are engaging, responsive, and delivered live on Zoom by experts in the field. There is no participation fee, and continuing education credits may be earned.

**The power to prevent infections is in your hands.**

## Register now for all new topics, including:

- Central Line-Associated Bloodstream Infections (CLABSI)
- Catheter-Associated Urinary Tract Infections (CAUTI)
- Surgical Site & Wound Infections

## What makes the Rutgers ECHO education model different?

Continuous Learning. Diverse Perspectives. Real-Life Examples. Dialogue with Experts. Mentorship.

In support of improving patient care, Rutgers Biomedical and Health Sciences is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

LNHA: This program has been submitted (but not yet approved) for Continuing Education for 12 participant hours from NAB. NAB/NCERS strives to approve quality programs whose content can reasonably contribute to the professional development of long-term care administrators.
