The people, the technologies, the best practices and the critical issues of the day.

LIVE WEBINAR on April 11th, 2019:

"4 Key Components to Ensuring a World Class Supply Chain Implementation"

About the featured speaker: **Thom Sokol**

Thom Sokol is a supply chain professional with over 10 years implementing complex and multi-disciplinary supply chain management technology projects. His expertise is in system design, project management, IT, and change management. He has worked extensively in the areas of consumer goods, beverages, pharma and the public transportation. He currently works with Collective Insights, a business consulting firm based out of Atlanta where he is a manager in the Supply Chain practice.

About the host: **Scott W. Luton**

Scott Luton serves as Managing Partner for TalentStream and is a member of the ownership group. He has worked extensively in the end-to-end Supply Chain industry for more than 15 years, appearing in publications such as The Wall Street Journal, Dice, DC Velocity and Supply Chain Dive. Scott has held a variety of leadership roles with organizations, with significant experience in the manufacturing and professional services sectors. Scott currently serves as Executive Vice President of APICS Atlanta and was also named to the 2018 Georgia Logistics Summit Executive Committee. He is a graduate of the University of South Carolina, is a certified Lean Six Sigma Green Belt and holds the APICS Supply Chain Professional credential. As a Veteran of the United States Air Force, Scott also volunteers with the Business Pillar for VETLANTA, and maintains active membership in the Georgia Manufacturing Alliance & CSCMP Atlanta Roundtable. He founded Supply Chain Now Radio in 2017 to spotlight the **best** in all things Supply Chain. Connect with Scott Luton on LinkedIn and follow him on Twitter at [@ScottWLuton](https://twitter.com/ScottWLuton).
