Cree Teachings with Harold Littletent and Family

Saskatchewan Culture, Recreation and Sport Districts have partnered to bring you 3 videos and related crafts and reflections during the Treaty 4 Gathering.

Harold Littletent, a cultural advisor of Plains Cree descent, and his family, the Dancing Horse Dance Troupe, from Kawacatoose First Nation, share information on a variety of dance traditions, regalia, drumming, and singing. These three 15-minute videos are intended for a classroom environment and are accompanied by age appropriate classroom activities, but can be enjoyed by anyone.
