

2026 AACA ANNUAL CONVENTION TRADE SHOW INVITATION

In less than 6 months, February 5-7, 2026, the AACA will be returning to the Westfields Marriott Washington Dulles in Virginia for the 2026 Annual Convention, affectionately referred to as the "Oscars of the Antique Automobile World" and we would like to invite you to not only participate, but partner with us in this annual gathering which recognizes the best-of-the-best within the antique car community.

It's never too early to start thinking about the future and the AACA Annual Convention is a great way to start 2026. Introduce your goods, services, expertise, and knowledge to not only the 500+ attendees, but also the 45,000+ members nationwide in thorough coverage of the event showcased in *Antique Automobile*, AACA's world-class bimonthly magazine.

As a trade show partner, each booth space includes an 8' x 8' area with 1 table and 2 chairs, electricity is available for an additional \$25, and if you would like additional adjacent booth spaces, each additional space is \$100 (up to 2 additional). Trade show vendors can also look forward to the "Sneak Peak" on Thursday, February 5, followed by two full days of trade show on Friday and Saturday. The popular Trade Show Passports will return in 2026 enticing all attendees to visit our vendors to get their passport stamped. And finally, included in the coverage of the Annual Convention in *Antique Automobile* magazine is a spotlight on each trade show vendor.

The trade show registration form is enclosed, and the hotel is already accepting reservations. Convention Registration is expected to open in November.

We look forward to your partnership with us making the 2026 AACA Annual Convention the best ever. We hope to see you there!

Full speed ahead...together.
