

Unity and Harmony

Unity- the state of being one; oneness

Harmony- agreement; accord; harmonious relations

We have been living in a state of disunity and lack of harmony in our government; the likes of which most of us have never seen, since November 2020.

Unfortunately, this has also crept into the Republican Party and CFRW, highlighting the importance of prayer more than ever. Join me in praying for God's wisdom to be upon our president, Tabitha Gomez, SRWF board, and members; as we move forward in 2023. Let SRWF be an example of unity and harmony among the federated organizations and a catalyst for bringing oneness back to CFRW.

Dear Heavenly Father,

Your word in James 3:17 says, "But the wisdom that is from above is first pure, then peaceable, gentle, and easy to be entreated, full of mercy and good fruits, without partiality, and without hypocrisy. Grant this kind of wisdom to our president Tabitha Gomez; the board and each member of SRWF, for it embodies all that is needed to restore unity and harmony to our organization.

Lord, Genesis chapter 11, shows what can be accomplished when a people are of one accord, working in harmony for good or bad. We have seen with our own eyes the evil that has transpired because of the unity of those who want to harm our great nation. Open the eyes of those who say they want to save our state, our nation, but are going about it in the wrong way; ways that are causing more harm than good.

We pray that we will all be in perfect harmony and full agreement as we move forward, and that there be no dissensions or factions or divisions within our organization and the party; but that we be perfectly united in our common goals.

It is only by the matchless name of Jesus that we can accomplish these things.

Amen.
