February 1<sup>st</sup>, 2023

Dear Friend of CFC,

Since 2003, California Family Council has pursued a simple mission: *"Advancing God's Design for Life, Family, and Liberty through California's Church, Capitol, and Culture."* Over the last two decades, we've been honored to work alongside local, state, and national allies to protect unborn children, advocate for parental rights, and defend religious freedom here in the Golden State.

**To celebrate all God has done, I invite you to join us in Sacramento on March 5<sup>th</sup> for CFC's 20<sup>th</sup> Anniversary Gala!**

My team and I would be delighted to see you next month at the Hyatt Regency Sacramento, just steps from the State Capitol. We have an inspiring program planned, including music, awards, and more. We're also excited to welcome as our keynote author, commentator, and host of the "Relatable" podcast, Allie Beth Stuckey!

This evening will be a fantastic opportunity to connect with Christians from across the state and around the nation who are fighting for God's eternal truths. If you're coming from outside the area, we've also secured a discounted room rate at the Hyatt for Sunday night. Many attendees plan to spend the night so they can attend the California March for Life the morning following the gala!

You can purchase individual tickets and tables of 10 at [CaliforniaFamily.org/Gala](http://CaliforniaFamily.org/Gala). We also have a limited number of tax-deductible sponsor packages available.

If you have any questions about the event, please email [Gala@CalifornaiFamily.org](mailto:Gala@CalifornaiFamily.org). You can also reach our new Outreach Coordinator, Sophia Lorey, at (909) 223-5563.

I hope you'll join us on March 5<sup>th</sup>. We're excited to stand with you here in California!

Serving Together,

Jonathan Keller  
President & CEO  
California Family Council
