Support making CERTS grants tax-exempt

Urge your U.S. Representative to support **making CERTS grants tax-exempt** for recipients. In support of this, three U.S. Representatives are circulating a letter seeking bipartisan support for this relief. Please urge your Representative to sign this letter in support of this important tax exemption to help our companies.

Remember, other industries' grants, like those for venues and restaurants, received this treatment and our motorcoach companies deserve parity for our industry. We have sustained so much loss from this pandemic, and still face so many challenges, that this relief is essential.
