

Staggered timings & extended hours Summer 2021

Drop off and collection will be staggered. Below you will see your designated drop off and collection time for next week. If you have important commitments that make these timings impossible, it is acceptable to come at different times.

We do ask however, that you try and stick to these times whenever it's possible to do so.

Doing so will help reduce overcrowding and queuing times, and help to create a safer environment for everyone on camp.
