QCS Quality Compliance Systems
AN RLDatix COMPANY | Carebeans

Be Confident.
Be Ready.
Be Outstanding.

Whether you're preparing for your next CQC visit or want everything in one digital system, QCS x Carebeans has you covered.

Our **Audit Centre** gives you access to digital audits aligned to regulatory frameworks – so you can track, evidence and improve your quality of care and support every day.

With **Mock Inspections**, you're not just ticking boxes — you're building a stronger, more confident service.

Help your team feel prepared, supported and inspection-ready every day of the year.

- ☑ Easy-to-use digital templates
- ☑ Real-time tracking and action plans
- ☑ Peace of mind for managers and teams
