#### Change:

Our records show that you have received the **Huan EEXI Inherent IIR Face Masks**, which are items of PPE that have been centrally distributed from stocks procured by the Department of Health and Social Care during the response to the pandemic.

These items are to be **quarantined with immediate effect** whilst the item is reviewed. Batch testing of these masks has identified the need for further testing, to ensure they can be continued to be used in a clinical setting.

#### Action Required:

- Please undertake an immediate review of your mask stock and identify if you have any of the affected products.
- If you have any of this product then please:
  - Quarantine all items with immediate effect.
  - Inform the NHS Product Enquiries Team on [productqueries@ppeenquiries.com](mailto:productqueries@ppeenquiries.com) quoting Ref: **Huan EEXI Type IIR mask** and confirm the volume of the product in stock.
- We will make arrangements for a replacement to be issued to you.
- We will provide an update in due course following the outcome of the further investigation.
