From **16-22 June 2025**, care homes across the UK will be **opening their doors** to the public to showcase the **incredible work of the care sector** and highlight the warm, welcoming environments you provide.

🚴 **Great British Care Cycle Relay – Going national!**
This year, our **Great British Care Cycle Relay** runs from **12-16 June**, covering **500km across five UK nations and regions**: **Scotland, Wales, Yorkshire, East Midlands and the South East of England**. Each day, cyclists will visit care homes along the route, building community connections and celebrating care. Registration is now open – no fee, no fundraising target, just a passion for cycling and social care!

🚀 **Once again there will be a huge range of downloadable resources available for Care Home Open Week participants.** Materials to help you deliver fantastic events and to tell everyone about the amazing work you do: Resources · Championing Social Care

🎶 **This Year's Theme: The Power of Music** 🎶
We've partnered with **Music for Dementia** to bring you exciting **musical activities**. Available from March, these will include:
🎵 **The Big Music Quiz** – fun, downloadable resources, including picture rounds, music clips, and musical bingo!
📻 **Sing-a-long Sessions** – Free daily sing-a-longs on m4dRadio.com!
🎭 **Exclusive Theatre Access** – Free tickets for care staff to see *In Other Words*, an award-winning play about dementia.

🎉 **Glad to Care Joins the Celebration!**
Care Home Open Week is teaming up with **Glad to Care** to offer **even more activity resources** for care homes to enjoy.

👊 **New digital tool to engage with your local MP.** We are developing a new online tool to make it super easy for you to tell your local Member of Parliament about your Care Home Open Week events. And our event map and Facebook page will be back too. Launching in March!

💡 Last year, **5,500+ care services** participated, and we're aiming even higher this year! **Now is the time to get involved!**
