

CharityMentors

OXFORDSHIRE

A new partnership to support charity leadership

Charity Mentors provide **pro-bono 1-1 mentoring** for charity and community leaders across Oxfordshire to help them reach their **potential** and achieve their **goals**.

This includes **not-for-profit** adult social care **leaders**.

Charity Mentors matches leaders with **experienced mentors** in a confidential and supportive environment to work on **opportunities** and **strategic challenges**.

This strengthens the leader, their charity, and their beneficiaries.

The opportunity to discuss the work of our charity with someone outside the organisation, but with relevant experience and understanding was a great help with prioritising and preparing an achievable development strategy. Our mentor helped us develop a clear plan and focus on the areas that were important in a coherent way.
