Have Dr. Thomas Engblom Help Your Managers Pass the "M-100" and Get Their CMCA!

The Certified Manager of Community Associations (CMCA®) is the only international certification program designed exclusively for homeowner and condominium associations and cooperatives managers. The CMCA recognizes individuals who have demonstrated the fundamental knowledge required to manage community associations.

Association board members, and seek qualified professionals to manage their communities. Obtaining CMCA certifications will give you and boards confidence they have the specialized skills needed.

Engblom is also author of the popular "Working From Home" book

95% PASSED RATE

* For qualified groups of managers

Thomas C. Engblom
CMCA, AMS, PCAM, ARM, CPM, PhD
Thomas C. Engblom, CMCA, AMS, PCAM, ARM, CPM, PhD has taught as a university professor at numerous colleges and universities. Since 2004, Engblom has taught as a National Instructor for Community Associations Institute (CAI), including assisting in rewriting several of their Professional Management Development Program (PMDP) course materials. Also, Engblom has served on the National Business Council for CAI.

Additionally, Engblom has earned the Certified Property Manager (CPM) designation from the Institute of Real Estate Management (IREM) and the Professional Community Association Manager (PCAM) designation from CAI. Engblom earned his Doctorate in Business Administration with his Dissertation dedicated to Association Management.

2025 First Edition of the Livestream HOA and Condo Book

129 Pages!

There is NO CHARGE

Three choices!

- o E-Book
- o PDF Version
- o Hard Copy (Limited)

Managers and board members should take a moment to email and request their copy of the 2025 First Edition of the Livestream HOA and Condo Book because it's more than just a recap—it's a practical, real-world toolkit built from live discussions with leading experts across the community association industry.

Designed for ease of use and packed with insights from attorneys, insurers, engineers, and veteran managers, the book transforms complex challenges into clear, actionable guidance. Whether you're facing board conflict, insurance confusion, or policy questions, this edition serves as your quick-reference companion—with access to full livestream recordings for deeper dives.

Requesting your copy ensures you're not just keeping up with the latest issues, but learning from those who've tackled them firsthand.

Chapters:

- Introduction
- Insurance Coverage & Cybersecurity
