

## The Way of Love

Practices for a Jesus-Centered Life

### ***Living the Way of Love: Practices for a Jesus-Centered Life***

Can you imagine a world where **love is the way**? A world changed from the nightmare it is for so many into the dream God has for us?

Join us February 16 to learn more about how living into the **Way of Love** can help create that kind of world.

**Way of Love kickoff event  
Saturday, February 16 8:30 a.m.–12:30 p.m.  
St. Mary's, Portsmouth**

You'll hear from Bishop Knisely and seven other Rhode Island Episcopalians about how they live into each of the seven Way of Love practices. You'll also meet with one of those leaders in a small group to brainstorm ways to bring these practices to your life and community.

Bishop Knisely challenged us at the 2018 Diocesan Convention to "live in a way that is recognizably different than the rest of the world ... to walk the Way of Love." Take a step toward that way by joining us on February 16.
