Missions Report for July 2023

Food Pantry

Carol David stepped up and did an amazing job doing the day-to-day orders and volunteer sub work. Cheryl Clifford was her backup support person. THANK YOU!! Shannon was able to have a wonderful, much-needed one month break.

Food Distribution

We added a Saturday AM bread donation that gets delivered weekly to Nonno's. It has been handled by a volunteer. We have too much bread now and hope church members will take it. It's great bread!

Second Harvest of Santa Cruz County and Second Harvest of Santa Clara County have cut back on protein deliveries causing us to buy food this month. We are spending more than a $1,000 a month.

We are checking our sources to see if there is another way to get food.

We need milk, eggs, tuna, peanut butter, soup, chili and canned beans.

We will need to find a new way to fundraise if this continues.

The Missions Board members will discuss ideas at our August meeting. Your ideas are VERY welcome.

Current Ideas include:

1. Do a church ask.

2. Ask community members to bring cans to the Skyland Celebration?
Do a "Go Fund Me" campaign.

3. Do an ask on 95033 FB page.

Other suggestions?

Volunteer Needs

We have two returning families from last summer who worked at the pantry. Its been great to having young people helping and getting community service credit.

We need a volunteer to help Kris Smith on Sunday AM at 9:00/ 9:30 starting in August. Our wonderful high school volunteer Maya Gomez is headed to college.
