August Skyland Celebration News

The Skyland Celebration is happening on September 9th from Noon to 5 PM. Many folks are busy organizing, planning, and working hard to make this a successful and fun time for all.

Eleven local mountain artists are displaying their work – an introduction to their form and style of art. Nancy Jo has been leading this activity as well as publicizing.

Anne Evans, John Heyes, Jeremy Cole and others have gathered information about the history of our local mountain community, our church, the Indigenous People who were first here as well as some of the major events (earthquakes and storms) that have brought changes to the mountains.

You won't want to miss The Summit Sisters performing their folksy rock and foot stomping music in the open area behind Whitaker. Bring a blanket or chairs and settle in for a fun time.

Games and art activities will be available for the kids. Yummy food can be purchased from El Buen Taco truck from 12 to 4. Eat there and take some home for dinner.

We need help from everyone to make this a successful event both in the on-going preparation and on the day of the event. Please consider how you can best support this effort. You may receive a call or you can let us know where you would like to contribute. You can contact Jackie Seymour or John Heyes or John Conkle. Thank you in advance for all you do to make this a joyful celebration of the church and community we all love.
