

For New Jersey residents living in Bergen, Gloucester, Hunterdon, Middlesex, Passaic, and Somerset Counties, you can apply with FEMA through the following ways:

- The fastest and easiest way to apply is by visiting [disasterassistance.gov/](https://disasterassistance.gov/) or by downloading the FEMA App on the Apple App Store or the Google Play Store.
- If it is not possible to apply online, call [800-621-3362](tel:800-621-3362) (TTY: [800-462-7585](tel:800-462-7585)). The toll-free telephone lines operate from 6 a.m. to 10 p.m. CDT, seven days a week. Those who use a relay service such as a videophone, InnoCaption or CapTel should update FEMA with their specific number assigned to that service.

New Jersey residents who live outside the affected counties are encouraged to continue reporting damage (residential structures only, no vehicles) from Ida as damage assessments are ongoing. Information collected in this portal will help local, state, and federal authorities better understand the location and severity of damage impacts. The NJOEM Public Damage Reporting portal is located at <https://damagenj-njoem.hub.arcgis.com/>

Also attached is information on the Home Clean Up Hotline which should be widely distributed to those in need of free muck out/gut/tarping services from NJVOAD partners.
