

Understanding and Supporting Multilingual Learners Series

Orange County Department of Education
Educational Services Division
Curriculum, Instruction & Academic Enrichment Unit

Instructional and Leadership Strategies

5:00 p.m. – 7:00 p.m.

This series will focus on practical strategies, resources, and leadership tools to support multilingual learners and enhance learning for all students. Topics include language development, engaging instructional practices, and effective scaffolds, along with the use of the CDE P–3 Multilingual Learning Toolkit and Preschool/TK English Learner Roadmap resources. The final two sessions focus on leadership practices that strengthen program structures, deepen understanding of language development models, and support a shared vision for multilingual learner success.
