

Stefan Bean, Ed.D.  
County Superintendent of Schools

Orange County Department of Education  
Educational Services Division  
Curriculum, Instruction and Academic Enrichment Unit

**Multilingual Academic Services**

**Speaking the Future:  
AI-Powered Strategies for EL Success**

This professional development session empowers teachers and district educators to harness Artificial Intelligence as a dynamic tool for accelerating language acquisition in English Learners. Participants will explore AI-driven platforms and strategies that support vocabulary development, speaking and listening practice, and culturally responsive engagement. Through hands-on activities and collaborative planning, educators will gain practical insights into integrating AI to personalize instruction and boost EL achievement.
