Dual Language Education Leadership Network

Championing Multilingual Excellence

TK-12th administrators, TOSAs, and advocates at all levels who share our commitment to dual language excellence are invited to join the OCDE DLI Leadership Network. It is a community of educational professionals dedicated to advancing dual language immersion programs rooted in the Guiding Principles of Dual Language Education and the California EL roadmap. Topics include DLI Master planning/DLI program review, equitable biliteracy pathways, developing qualified DLI teachers, family partnerships, and supporting DLI communities through challenging times. Together, we are building global citizens prepared to thrive in our multilingual world.
