**Tuned!**

Staff Development mini conferences are back, providing a few focused professional learning days during the semester. Whether you are working on earning hours for the TLC or just taking a few workshops of interest, we hope this mode of delivery will allow for convenient planning and maximal participation.

Stay tuned for more information about each day's speakers and schedule of workshops on topics such as:

- Trauma-informed practices
- Culturally responsive practices
- High Impact Practices
- Students' Basic Needs
- Mindfulness
- Growth Mindset
- Canvas
- Pathways
- and more!
