tiffany@iworkshopconsulting.com*

**The North Orange County Community College District
is developing a Campus Sustainability Plan
and needs your input!**

As a continuation of Workshop #1, please join us for an interactive discussion that will further develop goals, benchmarks, and strategies as we begin to formalize the vision for sustainability. If you did not attend Workshop #1, not to worry! We will review results before jumping into our interactive activities. We look forward to seeing you!
