WayFinders

Dawn Foor and her incredible staff bring the Clothesline Project to campuses throughout Orange County, educate students about rape culture and prevention, and provide countless services for survivors.

Certified Sexual Assault Counselors respond 24 hours a day, seven days a week via a rape crisis hotline, to police departments and hospitals, and through two rape crisis centers. Comprehensive and confidential services are provided to victims of rape and other sexual assaults, sexually abused children, and their family members.
