

St. Julie Billiart Parish

We truly welcome Christ revealed in every person!

June 9, 2020

Dear Parishioners,

The Parish Finance Council is an integral part of our parish. This Council is mandated by the Catholic Church's Canon Law as a consultative body in helping the Pastor on the management of parish funds and make financial decisions for the pastoral and ministerial needs of the parish.

On this note, please join me in giving our sincere gratitude and thanks to Mr. and Mrs. Kevin and Diane McKinnon for serving our Parish Finance Council for 2 years. They joined our parish back in 2016, coming from South Carolina. They also served as chair for our ADA campaign for 2 years and as Extraordinary Ministers of Holy Communion for four years.

Recently, they decided to move back again to South Carolina.

Their input, collaboration, and overall contributions as finance council members, and as parishioners, have greatly contributed in our parish pastoral ministries that we currently enjoy.

May God continue to bless them and their families, especially during these challenging times due to the coronavirus.

God bless you always and be safe!

In the hearts of Jesus and Mary,

Fr. Angelo David
Pastor
