

nu·cle·us /'n(y)ʊklēəs/
noun

the central and most important part of an object, movement, or group, forming the basis for its activity and growth.

A project of:

Kendallville
Area Chamber of Commerce
Your business partner to the future®

What is the Nucleus?

A **business incubator workspace** where entrepreneurs and other independent professionals can start and/or grow their business **without the hassles** of utilities, build-out, or the need for massive capital investment.

Incubator Success Data:

According to research by the National Business Incubation Association: Companies nurtured in a business incubator have a survival rate of **87 percent**, compared with 44 percent for unassisted enterprises.

A Growing Trend:

According to the National Business Incubation Association, there are currently **more than 1,400 business incubators** in the United States providing space, coaching, and other important resources.

Starting at just

\$250

per month

What we offer:

The Nucleus provides the infrastructure new businesses need to succeed . . . without breaking the bank. These include services and amenities such as:

- Office, lobby and reception space
- Meeting and conference space
- Front desk representation
- Communications tools (internet, PC and network)
- Postal and overnight delivery address
- Ongoing training, workshops and “check-ins” from business experts at SCORE and the SBDC
- Signage on your door
- An ample supply of coffee

MISSION:

“To help nurture and grow new businesses by giving them the space, tools, information and skills needed to become successful long-term.”
