

For-Hire Driver Pre-Appointment Instructions

Includes rideshare drivers (*Uber, Lyft and similar services*)

Includes delivery & courier drivers (*Grubhub, DoorDash, Postmates and similar services*)

Congratulations, if you are an independent contractor providing rideshare or courier services then you are also a small business owner! The Tax-Aide service can prepare an in-scope personal income tax return for you, including a Schedule C for sole proprietorship business income. However, as a business owner you are responsible to keep track of and understand all of your business income and expenses.

For us to prepare your tax return, all of the following are mandatory.

- *All 3 of the following are required from every service you drove for. These probably were not mailed to you, so you'll have to login to your account(s) for whatever service(s) you are driving for. **If you have any difficulty in getting these or in understanding them, you'll need to contact the service you were working for before coming in to your appointment.***
 1. *Form 1099-K: summarizes payments received from all the clients that you drove or delivered to. If you had less than \$20,000 in payments from your service or less than 200 trips, you may not have gotten a 1099-K; however this income is still taxable.*
 2. *Form 1099-MISC: summarizes payments received from the service you worked for, including promotions, referrals and other payments. Typically, these are only produced for amounts of \$600 or more, but smaller amounts are still taxable.*
 3. *Tax Summary (may be called something similar, for example: Annual Summary, Annual Statement, etc.) produced by whatever service(s) you were working for. This breaks down your annual earnings and some of your business-related expenses that may be deductible.*
- ***Print all of these prior to your appointment. We cannot work off of your phone or a website you log into.***
- *Other business income and expenses. **Note:** If you drove for both a rideshare service and delivery/courier service then all of the below must be broken out between those 2 categories (Uber and Lyft can be combined, but must be separate from Grubhub and DoorDash which can be combined).*
 1. *Summary of **cash** tips received. Do not include tips received through the service as they would have included them already in your 1099-K or equivalent.*
 2. *Summary of your recorded miles driven in 3 categories. You need a detailed log to substantiate your mileage for the IRS, but need to provide totals for these categories.*
 - *Business miles: Includes miles driven while you had a customer in the car or were delivering to one. Also includes miles driven between rides/deliveries excluding to/from your first/last trip of the day (see next bullet). For TY2025, business miles will be expensed at 70.0 cents per mile.*
 - *Commutation: includes miles driven to/from your first/last customer of the day.*
 - *Other miles*

For-Hire Driver Pre-Appointment Instructions

- While it is permissible to deduct actual vehicle expenses instead of using the standard mileage rate, doing so is out of scope of the Tax-Aide service. The following actual vehicle expenses cannot be deducted separately when using the standard mileage rate which already covers them: normal auto insurance, lease expense, depreciation, maintenance and repairs, fuel, car washes, registration, etc.
- 3. Expenses incurred that were 100% business use. For example: tolls, parking, airport fees, snacks/water for passengers, rideshare insurance, charging cables for passenger use, etc.
- 5. Expenses incurred that were only partially business use. For example: auto loan interest, cell phone and mount, first aid kit, flares, road-side assistance plan, dash camera, etc. These will need to be allocated between how much was business vs. personal use (typically via the ratio of business vs. total annual miles).
- If your business expenses exceed your business income then you have a loss for the year which would be declared on your tax return so that it could offset other income that you have and/or carry back/over to prior/following years to offset income from that year. Profit/loss must be calculated separately for rideshare vs. delivery/courier services.

Total your business income and expenses. **If your expenses exceed your income:**

1. Please cancel your Tax-Aide appointment as we cannot prepare a return that includes a business loss. We cannot ignore any valid expenses to pretend there is no loss. We cannot provide you with a partially completed return.
2. Consider if you will prepare your return on your own or if you need to make an appointment with a paid preparer. We cannot advise you on how to prepare your own return or recommend a paid preparer.

How to Use this Intake Booklet

Welcome to our AARP Foundation Tax-Aide site. This Intake Booklet is one of the primary ways for you to provide information to the volunteer who will prepare your tax return. In addition to any paperwork you brought, this information will help give us a more complete picture of your tax situation and will also allow you to give us permission to take certain actions. Please complete the Booklet in its entirety and take a look at the following information to help you decide if you wish to give your consents and answer certain questions. **Your answers will not affect the preparation of your tax return.**

Demographic Questions: These are questions about you (and your spouse, if filing jointly). The data from these questions are used to meet grant requirements and for statistical and program planning purposes.

Consent to Disclose Tax Return Information to VITA/TCE Tax Preparation Sites. If you had your tax return prepared at this site last year, some of your information (name, address, dependents, payers, etc.) will automatically appear when we prepare your return this time. You can also conveniently have your information available at any other AARP Foundation Tax-Aide or VITA Site. Sign this form if you want your information to be available at any AARP Foundation Tax-Aide or VITA Site you decide to use next year.

Consent to Disclose/Use Information to AARP Foundation. Sign this form if you want to allow information from your tax return, including answers to demographic questions, to be provided by Tax-Aide to the program sponsor – AARP Foundation – to assist in program development and to send you other AARP Foundation program information.

Consent for AARP Foundation to Use Select Tax Return Information. Consent for AARP Foundation to use select tax return information to provide you with additional information about other free AARP Foundation programs or services. In addition to AARP Foundation Tax-Aide, AARP Foundation helps older adults with low income secure the essentials, including relevant benefits, good jobs, and refunds, and to sustain social connections through a variety of programs and services. Some or all of these programs or services may be relevant to you. Sign this form if you agree to allow AARP Foundation—the charitable affiliate of AARP—to send you information about free programs and services. Your data will not be shared with AARP or AARP’s licensed service providers for the purposes of membership marketing or paid offers.
